OFFICE ORDER

A system of mentoring of under graduate students of the University by the faculty members with the objective to monitor the academic and overall development of each student is being initiated. The responsibility of the mentor will include academic and overall development of each student in the group. The list of mentor and group of students is being enclosed herewith. The faculty member will hold monthly meeting with their group of students to monitor the academic and overall progress of the students and submit a report regarding it.

The period for mentoring is initially for one year or till further order.
